In re:

Tri Harbor Holdings Corporation (f/k/a Aceto Corporation), *et al.*,¹

Liquidating Debtors.

Chapter 11

Case No. 19-13448 (VFP)

(Jointly Administered)

**REPORT OF DISTRIBUTIONS
UNDER CONFIRMED CHAPTER 11 PLAN²**

Date of Distribution: November 22, 2019 Date Plan Confirmed: September 18, 2019

Check one: Initial Distribution
 Subsequent Distribution

The Liquidating Debtors processed initial distributions on November 22, 2019 on account of Class 3A Allowed General Unsecured Claims against the Aceto Chemical Plus Debtors.³

¹ The Liquidating Debtors in these chapter 11 cases and the last four digits of each Debtor's taxpayer identification number are as follows: Tri Harbor Holdings Corporation (f/k/a Aceto Corporation) (0520); Tri Harbor Chemical Holdings LLC (f/k/a Aceto Agricultural Chemicals LLC, f/k/a Aceto Agricultural Chemicals Corporation) (3948); Tri Harbor Realty LLC (f/k/a Aceto Realty LLC) (7634); Kavod Pharmaceuticals LLC (f/k/a Rising Pharmaceuticals, LLC, f/k/a Rising Pharmaceuticals, Inc.) (7959); Kavod Health LLC (f/k/a Rising Health, LLC) (1562); Kavris Health LLC (f/k/a Acetris Health, LLC) (3236); KAVACK Pharmaceuticals LLC (f/k/a PACK Pharmaceuticals, LLC) (2525); Arsynco, Inc. (7392); and Acci Realty Corp. (4433).

² Capitalized terms used but not otherwise defined herein shall have the meaning ascribed to such terms in the *Second Modified Joint Plan of Liquidation of Aceto Corporation and Its Affiliated Debtors* [Docket No. 757] (the "Plan").

³ Pursuant to Section 8.04 of the Plan, the initial distribution on account of the Allowed Notes Claims was paid by the Plan Administrator directly to the Notes Indenture Trustee (*i.e.* Wilmington Trust, National Association, in its capacity as the successor indenture trustee for the Notes under the Notes Indenture). Any questions regarding timing and payment of initial distributions from the Notes Indenture Trustee to the Holders of Allowed Notes Claims should be directed to the Notes Indenture Trustee.

Class 3A General Unsecured Claims that are not yet Allowed and are unresolved at this time are being reserved for in the Class 3A GUC Claims Reserve. Attached as **Exhibit A** is a chart showing Class 3A Allowed General Unsecured Claims that have been sent initial distributions,⁴ the amount of such initial distributions, and the asserted Class 3A General Unsecured Claims that are not yet Allowed.⁵

Due to unresolved, disputed and/or unliquidated Administrative Claims, Priority Tax Claims, Other Priority Claims, Other Secured Claims,⁶ Class 3B General Unsecured Claims asserted against the Rising Pharma Debtors and Class 3C General Unsecured Claims asserted against Arsynco, the Liquidating Debtors will not be making initial distributions on account of such Claims at this time.⁷

The Liquidating Debtors cannot determine at this time whether any distributions will ultimately be made on account of Class 4A Subordinated Claims asserted against the Aceto Chemical Plus Debtors, Class 4B Subordinated Claims asserted against the Rising Pharma Debtors, or Class 6A Interests in Aceto.

Will future distributions be made under the Plan: Yes No

Future distributions will be made to (check all that apply):

⁴ With respect to the Allowed Class 3A General Unsecured Claims of former employees listed on Exhibit A hereto that are receiving initial distributions, given the payroll/employment tax withholding requirements (the “Required Withholding Amounts”) with respect to such claims, the Liquidating Debtors are utilizing Aceto’s former payroll processor, ADP, to process the initial distributions to such employees, including the withholding and remittance of the Required Withholding Amounts to the appropriate taxing authorities. ADP has indicated that it expects such distributions will be processed as soon as practicable after November 22, 2019. **Due to the Required Withholding Amounts, the initial distribution amounts to actually be received by Allowed Class 3A General Unsecured Claims of former employees listed on Exhibit A hereto will be less than the amounts listed in the “Initial Distribution” column on Exhibit A hereto.**

⁵ The Liquidating Debtors have until 180 days after the Effective Date (or such later date as may be extended pursuant to the Plan) to file objections to unresolved Claims.

⁶ The Liquidating Debtors are reserving for (a) all asserted (but not yet Allowed) Priority Tax Claims, Other Priority Claims, and Administrative Claims (other than Professional Claims, which Claims shall be subject to and paid from the Professional Claims Reserve upon final allowance by the Bankruptcy Court) in the Administrative and Priority Claims Reserve; and (b) all asserted (but not yet Allowed) Other Secured Claims in a separate reserve.

⁷ All Claims asserted against Debtor Acci Realty have been disallowed and/or withdrawn. Accordingly, Class 3D General Unsecured Claims (Acci Realty) does not have any Allowed Claims and therefore such Class will not receive any distributions under the Plan.

Percentage dividend to general unsecured creditors:

Paid in this Distribution to Class 3A Allowed General Unsecured Claims: 87.92 %

Paid to Date to Class 3A Allowed General Unsecured Claims: 87.92 %
